To him as payment for You cannot blame labor for want ing the literease in his pay, because the stuff that was being handed ou to him as payment for his work was less than half what he had been estting.

> Daniel noney is the cruelest device known for coining the poor man's awent into the rich man's dollars."

A paper doll. has no value in iself. The greater the amount of aper that is floated around the sorld upon the nation's credit the oes the dollar is worth. It is a one many hat fictitious money that you tender labor as his pay.

And now comes Henry Ford, with 125,000,000 bank balance and worth billion dollars, accumulated in 17 cars, who wants to buy the Muscle hoals nitrate plant and put many en to work, and who proposes to lieve the financial stringency by swiing more flat money, and payng them in paper, which will have more value than the paper money

Permit me to call your attention several trials of paper money wfort, from money invested in Carranza, Villa, Zapata, Huin Madera, Obregon and other dents of Mexico have all issued What was it ever and what is it worth today? f each one of the presidents had gold to back every dollar. paper would have been excable for gold any place, and mil have been as good today as a gold that backed it. Never has decimal paper been worth any ore than the bullion value of the diver in the Mexican dollar, for which it was supposed to be redeemthis Of late years when it had no decemble value except the credit of the government in power, its value was but a few cents on the follar.

One hundred and twenty-five years go it required \$1000 in paper money o buy a meal in France, and 100 this generation. Why deprive this maper dollars to buy one candle. Why? Because they had more pa- next generation have the trouble of ser money than they had specio, or mining it? oin to redeem it.

The United States has been aught in the cruze of paper money. Some say it was an emergency ensure, soma say it was a mis-

CANNOT HAVE

RIGA, Jan. 17.-Three divorces to ny one person are considered the imit in soviet Russia, according to arley Christensen of Chicago, canidate for president of the United States on the Farmer-Labor party icket in 1920, who recently spent month in Moscow Mr. Christenen visited several bolshevik courts. has specie to back it. The result s "It is fairly easy to get a divorce

n soviet Russia," said Mr. Christen en when in Riga, "but I understand be limit is three for each person If a man or woman has appeared in the divorce courts more than three times, he or she has a very difficult can be only one remedy, and that is time,

o produce the metal from the mines "I visited one divorce hearing. It o backs up the over-issued flut was extremely simple. The pair money. What good is more money was separated in half an hour. On to anyone if it buya less? If you arrival in the courtroom, the man would have it buy more, make it and woman were separately questionworth more. That is the only so ed by the judge. He then got them together and tried to persuade them that their quarrel could be patched up and they might live together They couldn't see it that way, so the judge took them into another from to sign papers dissolving their marriage."

REWARD

Will pay \$250 for the arrest and nt the impact of the incoming sun enviction of one or all the parties who broke into the shaft house of he Apex Mines company and took a 0 h p. motor and starting box.
